# Dale Hollow Lake 2010 Photo Contest

We would like to share a couple of special stories received this year:

Hi, I am secretary this year of our Good Sams RV Club. We currently have 55 members and belong to Mid-TN Chapter Four. Our members camp every July at Dale Hollow Campground by the Corps of Engineers Dam and it is one of our favorite campgrounds. This picture was taken of our members before our famous Country Ham Breakfast which we celebrate at Dale Hollow each year. We usually have 20-25 rigs staying four-five nights at the campground; we enjoy the fishing and all the recreation of this beautiful area of Tennessee. Thank you, Julie Mobley

My nephew, Anthony Best (11 ½ years old) died of bone cancer last Oct. 2008. He is buried near Willow Grove. His headstone has a sketch of 1st Island. He always called it his island – “Anthony’s Island”. This picture was taken last year at Lillydale and he was feeding the ducks with a group of baby ducks. Dale Hollow Lake is in our hearts forever. My favorite place in the world! Lynette Culbreth
